

# MANIPAL

ACADEMY of HIGHER EDUCATION

(An Institution of Eminence Deemed to be University)

## PRASANNA SCHOOL OF PUBLIC HEALTH, MANIPAL DIRECTOR

Manipal Academy of Higher Education (MAHE), an Institution of Eminence deemed to be University invites applications from accomplished academicians and researcher across the globe for the position of **Director – Prasanna School of Public Health, Manipal**. As Asia's only APHEA-accredited institution, PSPH is a trailblazer in public health academia and research.

The Director will provide strategic, academic, and administrative leadership to the institution, with a focus on advancing its vision in academics, research, innovation, outreach and overall institutional development.

### ELIGIBILITY

- MD / Ph.D. or equivalent qualification in Public Health / Community Medicine / Epidemiology / Health Policy / allied disciplines
- Distinguished record of academic and research excellence
- Minimum **15 years of relevant experience**, including significant leadership exposure in academic, research or public health domain
- Demonstrated ability to foster interdisciplinary collaboration, research excellence, and stakeholder engagement.
- Demonstrated expertise in leading and administering large-scale externally funded projects, with a strong track record of securing competitive research and applied (action-oriented) grant funding.

### KEY EXPECTATIONS & RESPONSIBILITIES

- Provide visionary leadership to drive academic and institutional growth of the Prasanna School of Public Health (PSPH)
- Lead the development of PSPH as a center of excellence in public health education and research
- Strengthen interdisciplinary collaboration within MAHE and foster national and international partnerships
- Enhance research output, funded projects, scholarly publications and overall public health impact
- Promote innovation in public health education, curriculum development, and capacity-building initiatives
- Build and strengthen strategic partnerships, including MOUs, with government agencies, NGOs, and global public health organizations
- Expand national and international collaborations to enhance visibility and impact
- Ensure effective governance, regulatory compliance, and overall institutional advancement
