## ABOUT MAHE

Manipal Academy of Higher Education (MAHE), an Institution of Eminence Deemed to be University, is a self-financing higher educational institution that started its operations in 1953. MAHE has been ranked 601-800 by THE (2025), 3rd by NIRF (2025), 851-900 by QS world ranking (2025), 801-900 by Shanghai (2024).

## ABOUT DBR

Department of Biotherapeutics Research (DBR) carries out innovative research, process, and product development in the area of Biotherapeutics (biologics or biotech drugs) with a broad remit covering various biological products with a therapeutic potential in humans, mainly in the areas of cell, gene, protein, nanotechnology, regenerative medicine and biomaterials.

## ABOUT CONCLAVE

Building on the success of the past two years' conclaves, which primarily focused on cell and gene therapy and brought together leading experts in the field, we are delighted to present the third edition of our conclave.

The conclave aims to bring together researchers, clinicians, industry professionals, and students to discuss emerging trends and translational opportunities in biotherapeutics. It aims to foster meaningful discussions and showcase cutting-edge developments, emerging trends, innovative products, and key challenges shaping the future of biotherapeutics through presentations and panel discussions.

Some of the eminent speakers of the conclave are Dr. Raviraja N Seetharam, Vice Chancellor, Chandigarh University, Mohali, Dr. Maloy Ghosh, Chief Scientific Officer, Zumutor Biologics Inc., Dr. Uday Kumar Kolkundkar, Chief Technology Officer, Stempeutics Research Pvt. Ltd., Dr. Nikhil Jain, Scientific Director - Innovation & Strategic Partnership, Syngene International Limited, Bengaluru.
